

Qlite UK Ltd

Mark Willmott announced as new UK Sales Manager.

Qlite is expanding its UK operation with the appointment of Mark Willmott as the New UK Sales Manager.

Qlite has established itself as a leading supplier of state-of-the-art dimming and lighting control systems for a wide range of environments and uses, from home automation and hotel Guest Room Management systems, to energy efficient lighting systems for five star hotel clients such as Hilton, Intercontinental, Ritz-Carlton and Marriott, as well as commercial, leisure and retail buildings.

Speaking about the appointment, MD Craig Bligh commented, "Mark has over 20 years' experience within the Electrical industry - this experience and technical background makes him an excellent resource for Qlite in the UK. In addition to identifying solutions for specific applications Mark will provide input on new and existing projects. We are committed to introducing innovative components and packages aimed at meeting the needs of virtually any project, as well as offering solutions for smaller designers, installers and homeowners who want dynamic, contemporary lighting and management systems in their homes"

Mark Willmott explained: "My experience in the Electrical Industry has mainly been within the Lighting Controls Industry working previously for Schneider (C-Bus) and Philips Dynalite. With my knowledge and experience coupled with the exciting and versatile Qlite portfolio of products, I am really looking forward to helping to drive the continued growth of Qlite in the UK."

Mark went on to add "My focus is to underline to the UK market that Qlite's core strength lies in effective partnering. Our dynamic, creative and skilled team excels in providing support throughout the life of a project, from design and planning through to commissioning and client training. We are the ideal choice for clients and contractors looking for a full service partner who can deliver on any project, large or small."
